

The Graduate Inner Journey: *Transforming and Transcending the Inner “Supreme Court”*

Date: April 8-10, 2011

Course Leaders - Michael, Neelama and Howard

THE most dominating force in our lives, which lives between our ears, is our mind. When unexamined, this thinking machine creates the most suffering in us humans via the negative self talk of the inner “Supreme Court” voices.

Through an in-depth examination of this mechanism, this course offers a profound opportunity to discover who we are beyond the realms of our seemingly normal thought chatter.

- * *Dis-identification from the “Supreme Court” voices*
- * *Accessing the realm beyond the mind’s chatter*
- * *Freedom from the limitation of the mind*
- * *Techniques, tools and Deeksha for increased self awareness*

The course will equip you with tools that will continue to empower and motivate you to live life to the fullest.
